AGM: Call for Resolutions

As a part of New North's governance process, members may bring forward resolutions for discussion at the annual general meeting. Resolutions are a formal call to action for New North brought forward to the Board of Directors and membership to be considered and voted on, like the process done at SUMA Convention. For a good example of how the resolution process works, see [SUMA's Resolution Policy](#).

The call for resolutions is now open, with a **deadline of Friday, August 28th** to submit. Once all resolutions are collected, they will be reviewed by the board, at which point approved resolutions will be shared with the membership in a formal resolution package 2 weeks before the annual meeting.

To submit a resolution, please email Terri-Lynn Beavereye, at terri-lynn.beavereye@newnorthsask.org

Ile-a-la-Crosse 250 Years Community Celebration

The month of July got off to an exciting start in the north, with Ile-a-la-Crosse celebrating 250 years of history as a community. The 5-day event was a celebration of local history, Cree and Metis culture, and community pride, with good music, food, and fellowship for all that attended. Board Chair Rick Laliberte and CEO Terri-Lynn Beavereye were happy to attend the festivities on behalf of New North in support of our member communities.

With a background of working in the far north, and currently based in La Ronge, CEO Terri-Lynn Beavereye has been busy this month driving around the west side visiting our New North communities and having productive conversations with leadership and administrators. Prairies & North Federal Liberal Caucus Meet and Greet

The Liberal Prairies + North Caucus at
Gather Local Market in Saskatoon

New North was pleased to be invited by MP Buckley Belanger to the Prairies & North Liberal Caucus event in Saskatoon on July 27th. Attended by board members Rick Laliberte and Bruce Fidler, and CEO Terri-Lynn Beavereye, the event was a great opportunity to hear from the federal government MP's regarding their priorities and goals moving forward. Several attendees from Alberta and Manitoba were interested to learn more about New North's structure and history, with some hoping to establish our Saskatchewan model in the north of their own provinces.
